

Councilwoman Cartright Announces Spring Mobile Offices

posted on 4/7/2016 9:27:00 AM

Farmingville, NY – Councilwoman Valerie M. Cartright is celebrating the second anniversary of her "Community Connection Campaign" (CCC). The CCC is a multi-faceted approach to provide residents with accessible, convenient access to the Town services and to the office of Council District 1 (CD1). The CCC has been very successful in informing the community of proceedings and events that are relevant to CD1. The campaign has multiple components including the "Mobile Offices."

The Councilwoman will again hold a series of "Mobile Offices" throughout her Council District. Residents can go to the Mobile Office, which will be located within their community, rather than traveling to Town Hall in Farmingville. Constituents will have the opportunity to speak with the Councilwoman and staff regarding any questions, comments, or concerns.

The next three Mobile Offices will be held in April, May and June in South Setauket/Centereach, East Setauket, and Port Jefferson Station/Terryville, respectively. Please see below for the Mobile Office schedule.

A second component of the campaign is the district specific update emails. Constituents can opt in to periodic emails updating them on upcoming Town related business proceedings regarding matters in or affecting CD1 (sign up by visiting the "Council District 1" page found under "Elected Officials" on www.brookhaven.org and complete the "Join Councilwoman Cartright's Mailing List" form).

These updates will include published agenda items before the Town Board, the Planning Board, and the Board of Zoning Appeals for the upcoming week. Additionally, information about upcoming Town and community events as well as pertinent information during an emergency or inclement weather will also be sent to those registered for CCC emails. Residents are encouraged to sign up at their convenience.
